

# ESCALERA, INC.

Manufacturers of the World's Finest Stair Climbing Hand Trucks

Escalera StairCat®  
Model: MS-1-72

## Making Light Work Of Heavy Loads

Modular design allows any part to be replaced by the operator in the field.

Ergonomic, plated handles, angled for easier load handling. Magnum Handle upgrades available.

Single control, **easy to operate "UP-DOWN" switch.**

Sculptured, long-lasting, non-marking vinyl padding.

Ergonomic placement of **multiple hand holds** give you a place to hold where you need it.

Fastest, easiest to use, automatic rewinding safety strap available. **Upper and lower straps optional.**

Frame made of tough tempered aluminum alloy. **Stronger than magnesium - lighter than steel!**

Non-spillable, sealed, rechargeable battery. Optional high-capacity battery available. Charger included.

**Non marking wheels and lifting feet** protect all step and floor surfaces.

### POWERED STAIR CLIMBER

New high-efficiency motor capable of **the most lifts per charge of any powered stair climbing hand truck.** Serviceable drive train, built for decades of service.
